

DNL Panel: Off-Grid Electricity Generation

NL leads Canada in renewable energy development; however, electricity generation differs dramatically in off-grid regions, where communities rely almost exclusively on diesel fuel. We will address off-grid decarbonization challenges, opportunities and cutting-edge research.

Panelists:

Delia Warren
Memorial University

Robert Apold
Natural Forces

Bob Moulton
Retired – NL Hydro

DECARBONIZE
NEWFOUNDLAND
& LABRADOR

July 11-12, 2019: YYT

Session Chairs:

Nick Mercer
University of Waterloo

Neil Hawkes
Nunatsiavut Government

Decarbonize NL will be held at the Signal Hill Campus of Memorial University on July 11 and 12, 2019. Our mission is to design an economy for NL whose greenhouse gas emissions have reduced 50% by 2030, and which has generated prosperity for all Newfoundlanders and Labradorians.
